

MARBLEHEAD MUNICIPAL LIGHT DEPARTMENT

Issued: Dec 14, 2022
Effective: January 1, 2023

MDPU-80
Cancels MDPU - 68

Rate C Large Commercial Rate

Available for all purposes other than domestic uses where the monthly demand equals or exceeds 30 kilowatts for three consecutive months, provided that all electricity to any customer is delivered at a single location and furnished through one service and one meter unless any alternative electrical connection is determined by MMLD to be more convenient.

Monthly Charge

Basic Monthly Charge	\$ 61.75	per Month
Monthly Demand Charge	\$ 6.00	per kilowatt
All kilowatt-hours	\$ 0.1722	per kilowatt-hour

Minimum Monthly Charge \$ 151.75 per installation

Measurement of Demand

Demand is defined as the highest 15-minute kilowatt registration occurring in the billing period.

Terms and Conditions

1. The Department's most current Terms and Conditions for Electric Service are in effect and part of this tariff, when not inconsistent with any specific provision of this tariff.
2. All kilowatt-hour usage under this tariff is subject to the MMLD Purchase Power Adjustment Clause in effect.
3. All Terms and Conditions of this tariff are subject to applicable law.
4. The minimum term of service under this tariff is one year
